

# Comment Form

Name of Program: Robotics

once a month on  
Date(s) of Program: Monday's  
from 6pm - 9pm

What are aspects of the program you liked most?

Offering equipment & knowledge that I could not offer my son. Especially the Lego supplies & team work w/ peers.

- What are aspects of the program your child liked most?

I liked being in a group and solving problems as a team. I also liked that I was able to build and program.

## Rate the following:

1 Very Dissatisfied      2 Unsatisfied      3 Neutral      4 Satisfied      5 Very Satisfied

The program was what I expected. Yes

Explain:

The program met my child's needs. Yes

Explain: It met his needs & stretched him out.

The program was organized. Yes

Comment:

The program was age appropriate. Yes

Comment: I appreciated keeping the teams close in age.

The program was challenging but understandable for my youth. Yes

Comment: Jacob ~~met~~ met the challenge to build. He also strengthened his programming skills & I look forward to him attending more sessions.
